“ Dulce was a very precious little girl. I had the privilege of being her first grade teacher last year. She was always a good friend to the other students. Even though English was her second language she was fluent and was an exceptional reader. She was always helping other children with their reading. She always asked questions and had a desire to learn. I will forever cherish her sweet smile and the sparkle she had in her eyes and I will remember all of the hugs she gave. I will cherish all of the memories that I have of her. She will forever have a special place in my heart.##imported-begin##Christie W. Klessens##imported-end##
