“ My little brother Trey and I spent over 3 years living next to Steven and Dustin. We all became very close growing up together. The childhood memories we had shared together will always remain in my heart. Dustin was a kindhearted and compassionate person. Dustin wasn't kin by blood but he will always be a brother and friend.##imported-begin##K.C. Fox##imported-end##

“ First, I would like to say I do not think this is the proper forum to address family dynamics or lack thereof. Dustin was Curtis' son in every sense of the word and was raised as Jamie's brother. Albert has been out of the picture since Dustin was conceived. Curtis and Teresa were together when Dustin was born. Jamie mentored Dustin has his little brother, he was living with Jamie at the time of his death and more importantly Dustin acknowledged Jamie as his big brother. No one is denouncing Steven as his brother nor are they denouncing Albert as Dustin's father. But Curtis is the only dad Dustin ever knew and Jamie was the person he was closest to in this world. For anyone to come on his mortuary guestbook and denounce any part of the family or try to contradict what the immediate family put in the obituary is extremely disrespectful. I hope everyone realizes that Dustin loved all parties involved.##imported-begin##In reference to the above comment##imported-end##

“ To all it may concern:
This is just a little note letting people that did not know Steven was Dustins only brother. And Jamie was his first cousin. Albert Anders and Teresa Redden are their Biological parents. Curtis is Jamies father.##imported-begin##From a Concerned family member##imported-end##

“ I am so sorry for this family's loss. Dustin will be missed greatly. He left behind a beautiful son and I hope one day Justin Blake Anders will know what a wonderful daddy he had. Dustin leaves a huge void in the hearts that loved him so much. I pray that they heal and are able to think of the happier times spent with him. Love you all.

“ I am really sorry for your loss. Dustin was a very good person to everyone. I used to know him when we were younger, just kind of lost touch. We all just kind of moved on with our lives as we got older. So sorry I couldn't make it to the funeral I don't think I could handle it well. Dustin will be missed but not forgotten. Just remember he we always be in your thoughts and dreams. One day you will see his face again and love him even more than ever. Again I am really sorry for your loss. Dustin loved his family very much.###imported-begin###Brittaney Green###imported-end###

“ At this time of sorrow...One who loves deeply will weep deeply. The tears we shed are tears of loneliness that say, "I love you and I miss you". May you feel the comfort of God's arms around you and be strengthened by the love and prayers of your family and friends.

"He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain.." Rev. 21:4###imported-begin##Raymond and Cindy Redden##imported-end##
