“ Oh Dusty... I never imagined a world without you in it. I've spoken to Misty and your mom several times over the last few days. They told me everything that happened and helped me understand what happened all those years ago. I wish that we could have sat down for coffee and talked one more time over the last 14 years....to allow some peace with our relationship. I loved you wholeheartedly and truthfully. We were so close to getting married...and then we didn't. Whenever your memory popped into my head every now and then, it was always a positive one. I'm so sorry things happened the way they did. I'm sorry I didn't know what was happening. I have so many new questions. I'm glad to hear you still had a good heart in helping others and how wonderful of an uncle you were. Rest easy now.

“ My heart is broken. I used to work with him at Dollar General. He had such a genuine heart and was extremely protective over the ones he loved. He was such a great friend. My heart goes out to his family, especially his mother, Ms. Dee Dee. Praying for you all ❤️

“ I had the pleasure of meeting Dusty in High School. He was always a joy to be around, always made me laugh and blush at times. Was caring, funny, brave, strong, wild and fearless- the life of the party always! I will remember all the good times with you Dusty, from tricking Beth to thinking we were drinking an alcoholic drink when it was not and pretending to be dumb drunk teenagers...then telling her it was non alcoholic, after she was cuttin up and going along with it. Haha To the time I got wasted at your house and fell and got hurt on something and you were there for me, held me all night in bed and made sure I was okay. Too holding on to you for my dear life being on the back of your cycles at only God knew how fast we was going haha to you just always being there when I needed to talk. I love you and will forever remember all the happy times and happy memories cause I know it's what you would want me to do. But I will miss you, we all will miss you! I know you wanted the pain to end and I am happy for you that it has ended and you are no longer in pain, but we will miss you very much!

“ I am so sorry for your loss. Dusty was one of the best nephews I could have. Always funny and ready to help when needed. We will miss you terribly but know you are out of pain. We know that your cousin, Johnny was there to greet you when you crossed over. Love Aunt Louise
