“ Dear Lee: the passing of your wife brings mixed emotions. I know you will miss her as your constant companion, but I know you will be glad she has gone to heaven where there is no suffering and she will be waiting for you there.

Please call on me if I can be of help to you in any way. You continue in my prayers. God bless and comfort you.

“ *To My second Mother: May the Peace of the Lord be with you. I've loved you very much all my life. I have memories from when I was very young, and you were always there. I will miss you. You always called me your other daughter. Although we thought we were saving you, of this earth you were tired. Enjoy and live in peace in the family circle with Grandpa and Grandma, Fred, Homer and Hattie Lee. Tell them we love them. Bren##imported-begin##Bren##imported-end##*
