“ To Eddy's family, I am so sorry to here of your loss. It's been a long time since we talked, one time your were my best friend all the way back to Jersey City. Through the years I've watched your children grow, but somehow we grew apart. I have very fond memories of you and your sisters, Patty and the girls.

Rest in Peace I will never forget the good and bad times we had.

“ *Gonna miss you Ed. You could always get a good laugh out of me, even if I was the butt of the joke. Thank you for being honest, we always knew how you felt. You had my back many times, as well as allowing me to return the favor to you. You have run your race, savor the victory!*

“ To Ed's beautiful children and grandchildren,

Your dad was a great guy! He was such a hard worker and was always kind and caring.

We were friends since I was a young girl in Jersey City. He loved his family and his cars, lol. and based on what I see online he was an excellent dad and loved his daughters and grandchildren. May all your happy memories sustain you at this very difficult time. God bless. Mary Lou Mitchell Pickowicz
