“ *Judy, LouAnn, and family,*

I just saw that Ed had passed when reading Joe Lovin's obituary. I'm so sorry that I didn't know.

Ed was always so full of life and fun. He will be missed by many. As we all know , he is in a better place and free of all his earthly pain. I can just see him with Aunt Pearl and Uncle Ernest having a good ole time. Mama too,I'm sure.

Please know that I'm praying for you all that you will find peace and comfort in all the wonderful memories you have of Ed.

*Love to you all,
Caroline*

“ *Judy and Family,*

I am so sorry to hear of Ed's passing. He was so dear to me and Anders. I will always have fond memories of him. Most of all, I remember Ed always having a joke to tell and his laughter was contagious! He would light up a room without even knowing it which made our time with him memorable. He always gave the best hugs (and the strongest) and I will never forget that. We will miss him dearly but knowing he is with the Lord brings peace in knowing he is no longer suffering.

We love you and want you to know you are in our prayers.

With our deepest sympathy,

Angie, Anders, Alex and Elise

“ Judy & LouAnn,

I am sorry to hear about Ed's passing away. I have so many good memories of him while I was growing up. He nicknamed me "snake doctor" one time after those little black things that always flew around our creek. I guess because I stayed in that creek during those hot summer months. He always knew how to make the kids laugh & smile.

I know he will be missed very much by you two, and everyone else that knew him. I pray that God will comfort you during this time of sadness.

Just know that he has been promoted and will never be sick again!

Love You,

Steve Campbell
