“*I am so sorry. I loved Eddie like an uncle. We worked together at O'Reilly, HE and I would often talk and laugh. I am going to miss him terribly. I did not know that He passed until I came across it on The Wood Mortuary website. If I had known I would have been there for sure.*”

“ I didn't have the privilege to know Eddie very well or for very long, but he was such an asset to our community. He was always looking out for his neighbors and fought for our community to be a better place to live. He will be missed. Prayers for the family. ~ from a fellow community watch member and Tigerville neighbor just down the road.

Eddie I remember our times by the outdoor fire in the barrel & the 4 wheeling. And I remember the New Years Eve (fireworks). Will miss you & knowing that you're no longer with us here but you're still in our thoughts & heart. Glad we got to know you as a friend.
