Beautiful video. I enjoyed watching this. Eddie did a tough job for us that others wouldn't tackle. . .he and his friend (Danny, I think) did a wonderful job moving two storage buildings. We are devastated for your loss. We are praying for the family.

This video was so awesome knowing the circumstances that had happen Eddie paid the ultimate sacrifice to help others in need just like so many of us other tow truck drivers may he fly high in the sky but never be forgotten for his love and passion to help others.

Precious memories....how they linger...how they ever flood my soul! The dazzling smiles and happy faces in this video are proof that there was a lot of living done in a short span of time here on earth. Treasure those happy memories....and know that you will have an eternity with this precious man you love so much! Praying for you!!

“ *This gentle man, Eddie Mills was so nice and helpful to me on our first and only time meeting. I had called several places in effort to get a storage building moved from one area to another area in my yard. Mr. Mills came and handle the job without much effort at all and charged a fraction of the cost of others. He was such a humbled and nice man. Rest in peace and I pray continued strength for the family. I know this is 2 years later, but I stumbled across his business cards he left with me during that visit we had. Rosa Jones*

“ Eddie Mills was always there weather it was to tow a car or help me with a charity I was involved with. On two different occasions Eddie stepped up for Charity. The first was for The Feed The Children event in Greenville SC. He hauled a fork lift to the event so we could unload a truck load of food for needy families. When the event was over. Eddie picked up the fork lift and returned it for us. He would not except payment. The second charity event was this past September. Money was raised for The Disabled American Veterans Chapter 39 Greer SC. Eddie made a generous donation to help sponsor the event.
Eddie Mills was a GREAT and GENEROUS person and The Mills Family can be proud of the man he was. I am proud to call Eddie my Friend. God Bless.

“ You don't know me but several years ago i was on my way to carry a gift to my Aunt in the nursing home. My car died in a busy intersection. Eddie came up and asked to help me get out of road. I asked him to tow me home. He didn't want to take payment. I finally got him to take it. I have never forgotten his kindness to an old lady. His family has a lot to be thankful for
He surely is with the angels

“ Eddie and I have been frinds since I was 12 Years old. We met at Roller Sports every Friday and Saturday Night, then, he started a rowing business, which I owned my own towing service as well. I don't know one person that has every said one negative thing about Eddie, he helped everyone and always made time for anyone. He would tell me about having to get home so he could take his wife and girls to dinner, he worked hard to provide for his Family and I have the utmost respect for a man like Eddie. He will be missed by so many people a d I am truly proud to have the time spent with Eddie. I love ya brother and oneday we will meet again! Please keep his Family in your Prayers, I know without doubt Eddie is in Heaven tonight and that makes this tragedy a lil more easy to bare. God Bless You My Friend...
