So very sorry to hear about Eddie. For many years I was privileged to see Eddie and BJ everyday as I had Mackenzie and Connor at Busy Bee. At first when I heard I thought of the times we had spoken about the little girl they lost and now he is with her...then I thought of Eddie and BJ ' s love to each other and their children. BJ, Mackenzie, Connor, and Parker. You all have mysympathy. Parker, you may not know me but I remember when you were born. Your Dad, Mom and sisters were so happy. Thinking of you all especially on this first Father's Day. If I can help please let me know. Chas and I are praying for you .  
Love,  
Miss Sherri

“ My brother Eddie, I haven't grieved yet, maybe because it hasn't hit me yet. Oh yea I'm down and sad and yesterday came close to tears, but wasn't ready to let you go. Oh boy we went through hell me and you the last time we spoke you was mad and yelling, but never change the love I have. Starting to tear up not yet buddy. I have two brothers Eddie and Larry. Was always there for me very forgiving, always looked out for me. We at one time spoke a lot, I don't really have family in this life, walk alone now Eddie ohhhh no tear brother I'm sad and starting but no babe not yet (Had to get up sorry my friend) too much. Bro, I want alone you know I always have it's not easy and I don't like this life but I move forward every day looking for a rainbow. I look for anything just to stop being sad. Baby I wasn't ready for you to leave me. You did now where in the hell do I go. How do I breathe Eddie how please tell me. People don't understand bro it's a hard life alone I wish we can be together. Bro I'll stop thinking about you. Everyday I'll speak to you, I hope you don't let me continue to walk alone, it's scary my friend, you're in a place now that allows you to look over me God please show me that rainbow I've had enough. Love you my friend, my brother, my pal... bye bye

“ I grew up in the DelRay section of Alexandria. I've known Eddie since the late 60's. Everyone grows up and lives their own lives. I reconnected with Eddie on Facebook a few years ago and we messaged each other and talked on the phone a few times. He was a great person and will be missed. I don't really know his family but my condolences for you loss. May God be with you in these times of grief.
