“ My father and Ed were friends in the 519th MP in Korea in 1951/52. I had corresponded with Ed in 2010 and he shared some great military stories with me. I never met Ed but my father, Joe, felt very highly of him.

“ Mr Wooten was a very special man. He loved his wife, children and grandkids unconditionally. He was a giving man to his church and community. Bud you will be missed by many. However we are glad you are reunited with your wife and family members that have gone before you. God has gained another angle and hero. My heart breaks for his family cause I know how much they loved him. I will not be able to attend his service due to my own health issues but my heart is with you all. RIP Bud. ❤️🙏

“ Bud and I were good friends. In the past we met at Dennys with a group of men and we both taught the Bible devotion. He loved the Lord and demonstrated it. I will miss our times together. Don Holloway
