“ My heart is heavy because a man I loved is gone. But, I am happy because he is hurting no more. He took me hunting and fishing as a young boy and he left me with many warm memories. I know he is with my dad, his brother Felix in Heaven now, and he is not hurting. God bless the family. I was able to visit with him last week and he was at peace knowing he was going home.

“ Will miss this man greatly. More of a grandfather than my own, He will always be in my heart. He would give the shirt off his back for a stranger. He was a true child of God & I know where he's at. I'm so glad my Nana had a man like him to spend her years with. I love you so much Ed, see ya later!
