“ *Betsy led our Caring Card Ministry group at St, Peter's and that is how I met her. She was a cheerful and giving person who didn't let her personal issues get in the way of helping others. She was an example to me and others of Christian giving. I admired her and will miss her. My condolences to the family.—Kathy Sturm*

“*Edie was such a bright light. She will be remembered for her pure soul, her authenticity, her epic sewing room, and her heart of gold. Anything she did, she did with 100% effort and she is truly one of the top 1% of people you will ever meet in the world. I remember meeting her for the first time and thinking, “this lady doesn’t have a bad bone in her body.” She had so many accomplishments in her short, but sweet, life and her greatest is how she and Kurt raised four incredible children. Each of them unique and authentic with their own touch of Edie’s personality sprinkled throughout. It was a true honor and privilege to know her, and she will be remembered by so many people forever. Thoughts and prayers with the Cummings family.*”

“*I am so deeply saddened by Betsy's passing. I've known Betsy for 40 years, we first met in Lamaze class at St. Stephen's Church in Ridgefield, CT, and had our children together, Jenny and Patrick! Thank God for Betsy, she taught me a lot about being a first-time mother! We had many ministries together, and when we last spoke I had no idea that she would leave us so soon. Jenny, Amy and I send all our love to Betsy's family, you are in our thoughts and prayers. Please let us know if we can do anything.*”

“ Another Murrells Inlet, SC connection: we met the Cummings in July of '92 and Betsy and I became friends raising children, dogs, cats, etc while learning to love the Lowcountry. Lots of memories spanning nearly 30 years. Condolences to Kurt and all who loved Betsy. May she rest in peace.
