“ Just wanted to let you know that we will be praying for you at this
time. We met your Mother and father when we used to pick peaches
at their orchard. Later we became reacquainted with your Mom
when we saw her at Bayberry. Our son, Jeremiah, used to go there
and hold church services with the residents. We are missionaries ,
but when we were in the States we had the privilege of going to
some of the meetings at Bayberry and we always enjoyed talking to
your Mother. I know she will be greatly mkissed !###imported-

“ Phiscilla, Johnny & Merle, George & Joyce, Helen;

We just learned of your mother's passing through Ellen Watson and saddened to hear of it. We understand some of what you all have been going through lately and trust you all will treasure each moment you had with her. She lived a long and fruitful life.
