*I rejoice knowing that my friend Lucille is now with Jesus, fully alive and totally healed. Lucille's earthly suffering has come to an end, Praise His Name. I'm so sorry I wasn't able to attend Lucille's Memorial, I just saw Wood's announcement in my email, as I have been sick with bronchitis over a week and haven't been on here. Louise my heart is so sad for you as I realize part of you is gone now. You two were always such fun to be with when we were all growing up in Startex and Tucapau Baptist Church. I know you will miss your other half. Darrin your mom loved you more than life. She talked about you all the time. We would be on the phone down thru the years and she would bring you up many times during our chats. I know you will miss her too. She was always bragging on you. Bill, you were always big brother to these two girls, and they looked up to you, and loved you. Love and Prayers continue to be with each of you. Lucille is not only in the presence of Jesus, she's been reunited with "odiah" and momma, and our childhood friends that have gone on this past year also, Kay Dobson Moon and Doris Sawyer Guy. I'm sure they are having a great reunion right now. I can't wait for our Reunion one day soon.*

“ I am very sorry to learn of Lucille's passing. She and I were members of the same Sunday School class at Duncan First Baptist Church. Lucille was always upbeat and smiling and was a joy to be around. She will be missed. My prayers are with you and your family.

“ With Lucille's passing, I lost a life time friend since I was ten years old. The world will not be quite as bright without her. Lucille had parents that opened their home to all friends of Lucille and her twin sister, Louise. Theirs was a second home to me and they are a precious part of my life. Lucille suffered greatly the last few years and I'm so happy that now she has her new body and is in the presence of her Lord as well as many loved ones. Watch for me, Lucille. We will all be together again. Love you. Viv
