“ *Ms. Edna was the sweetest woman I have ever met. She was a giving woman and had a very big heart. She loved my 2 children, just as she does Anna Paige and Connor. I will miss her spunky laugh and the smile she put on my face with her humor! Thank you Mrs. Edna for your goodness you gave while walking in this world. You are certainly walking streets of gold. God bless you and I love you.*

“ *I was so sad to hear about Edna, she has a special place in my heart.*

In 1984, as an exchange student from Sweden, 16 yrs old, I was blessed with spending a whole year living with the Scott family – they embraced me as one of their own. Edna was my American mom! I am so thankful for Edna (and Richard and Courtney) for all the special memories of a great year. Edna made an impact in my life.

My thoughts and prayers to Richard and Courtney with family.

“ Edna was by all accounts a firecracker; she was loud and entertaining. Ha! She filled our hearts with two of the most precious gifts, laughter and love. Though I feel our relationship had only begun to truly blossom, I will cherish everyone of our memories. She very much inspired me to be a better, more kind human being. I am honored to have known her and will think of her of fondly.

“ *Courtney, as I told you, when I think of your mom, I think of us at Belmont Heights pool, you girls swimming, and Edna drinking her Diet Rite! In fact, I can't think of a time she didn't have a bottle of Diet Rite with her no matter where she was until they discontinued production - it was then she was forced to go to Pepsi! Your mom (and, dad) love you unconditionally as she did Peyton, Connor and AP! I'll never forget going to your house for the first time and y'all had the doberman pincher dogs.... SCARED ME TO DEATH! Thankfully, I got over it! Courtney, big hugs, much love, and many prayers for you and your family!*
