“ I met Ed in 2008 when I was looking for my Labradoodle. He was so patient with all of my questions, and welcomed me into his home to help me with the process. I could never thank Ed and Teresa enough for the amazing companionship that my Labradoodle Baron brought me. Nice to know that Ed is up there looking after Baron until it is my turn. God Speed Ed!

“ When I met Ed 23 yrs ago I didnt realize how much if a blessing he would become in my life. You were wonderful boss who encouraged me to give 110%. You made work place fun with Gilbert Narly pranks. You always caught me with him only to sceam ED! when I finally figured out it was you and then we would have a good laugh that you did it again to me. You supported me to try to rise above when work became a hostel environment. You were a great friend who help me get my son to one of his dreams as student ambassador going to New Zealand and Australia. You became part of my family with your love and support as I fought my way back from what should have been a fatal car wreck. You encouraged me and welcomed me into your home and life as my brother in Christ. I will miss our "arguments" (wink) dussions and support through our walk to understand what our Fathers plans and love for us are. I have been so blessed to have you in my life! Im not saying goodbye as we both know this is only till we see eachother again with our Lord and Savior! Until then all my love and thanks for welcoming me into your life!☺🙏❤❤

“ I will miss my brother in Christ. Ed was always a great friend. I will continue to pray that the Holy Spirit will provide peace and even joy in the mist of pain of losing such a great saint to this world. But we know that Ed had his bags pack for heaven. We will miss his laughter and his compassion for others and his desire to build the kingdom of God. I will pray for Teresa and family that the Holy Spirit will support and give you peace in this grieving process. Don
