“ I knew Ed for many years having lived in Western NC. We lost track of each other when I moved to the SC coast and I regret that. He was one of the finest men I ever had the privilege of knowing and was very special to me. I was so saddened to hear of his passing, this world was a better place with him in it. I will miss that sweet man...

“ My heartfelt sympathy goes out to the family. Ed was a kind and gentle man. We have had a very special friendship for many years. In the last year he has called on me even more to help with his move and his health needs. I took him for chemo treat and radiation last month. He will surely be missed by many friends. This picture was taken last Fall when we visited the Tryon Equestrian Center, R.I.P. my friend, Ed Younger.

I am just learning of Ed's passing. He was a precious soul, always caring, endearing, and most pleasant. I so enjoyed his visits when he was in South Florida or Myrtle Beach
