“ *Gene was a very kind hearted & compassionate man. My wife & I went by his home not too long ago to drop off some food soon after Peanuts passing. “*Mary, my deepest condolences go out to you and the rest of Gene’s family. All of you are in my thoughts and prayers as I remember what a kind, loving heart Gene had. As a sister-in-law to his brother (Bill), Gene always made me feel that he loved me as much as he did his own family. His smile lit up the room anytime someone walked in. Although I didn’t have the opportunity to see him often, I will miss him as I know each of you will. May God bless you with many loving memories of his smile, of his jokes and all the things that made him so endearing.*

“*Gene was my brother-in-love. No other way to put it. He told me often how much he loved me; but, the words weren't necessary, as he showed it from his big and kind heart. Gene was such a very precious man of God and I shall miss his presence in my life greatly but he will forever be in my heart.*
