“ Dear Trixie, Please accept my sincerest condolences for Ed’s passing. I was very saddened to hear about it, but I know his faith was strong and he’s with Jesus now. Ed and I met back in the 80’s when he was my Engineer at S&H and I was the Quality Manager in the Walled Lake facility. Ed was always there to help solve problems for me and my team and really made a difference with his attention to detail, follow-up and ongoing commitment. That was who,he was.

In 1994, I recommend Ed for an open Engineering position at Formrite and he came to Michigan. The rest is history and he had a very successful career before retiring, but know he made an impact on everyone he came across. Ed’s kindness, professionalism and love for life will be missed. He left us way too soon. If there’s a golf course in heaven, he’s in the “T” box right now waiting to hit. Sending my love and prayers for you and your family. 🙏🙏❤️❤️🌹

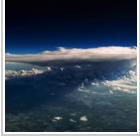

Sincerely,
Gary Elrod

“ *Ed is a friend and my brother in Christ. He could always gently tell me what I was doing wrong in my projects and home repairs. We could disagree about politics and world views constantly, but at the end of the day we stood on the same Rock,..our lord Jesus. To Trixie I send my wish for peace in the celebration of Ed's life....and to Ed...I'll see you again my friend in the light of eternity. Roy Patch*

“ A man we grew very close to in such a short time. Memories of us sharing Jesus Christ in your home for dinner and in our home for hours together as couples with the love of Jesus in our hearts. What wonderful memories to carry forever. We knew Ed as a wise gentle man with a huge heart of love to share with a helping word or hand to whoever he met.

We will miss him so much. Our love to our sweet friend Trixie.
