“ *My heart is heavy at the loss of Ed. He was known as Papa to my children. He and Grandma Lou were their grandparents and when they were little I would constantly get calls from Grandma Lou that they had snuck out (we lived next door) and escaped to see them. The roses remind me of her, the garden reminds me of him. They were beautiful people and although they will be missed, I know they are happy because they are together.*

“ *Dear Don, Kathy, James, and Cindy,*

I am so sorry to hear about the loss of you father. Your father and mother were very special people who were always so nice to me and such a pleasure to know. Don, I remember you and your father attending my very first investment seminar on 9/21/89 which was Hurricane Hugo night. They will be greatly missed. You and your family are in my thoughts and prayers.

*Sincerely,
Frank Thomas*
