“ *Ellie quickly became one of my favorite people when Daniel and I started dating. I'll never forget all the laughs in the house with Daniel and his Dad messing around with Ellie. They adore her so much. I will always cherish the lunch dates we shared ☐ Ellie has a special place in my heart. The legacy she's left of kindness, compassion, love, laughter, faith, and fun will live forever through her family. What a precious gift she will forever be to us.*

“ I’m saddened by the loss of such a lovely lady. Eleanor was a great leader. I had the pleasure of working with her at GMH as an IT advisor. She always listened and considered everyone’s needs as she guided the teams. She had a kind presence. I am honored that I had the opportunity to learn from her. May her memory be a blessing.

“ Eleanor worked with the IT department in the latter part of her career at Greenville Memorial. She was a true Southern Lady in all that the term means. High standards, compassion, caring and a beautiful soul. I miss working with her. She lifted up everyone she came in contact with. Condolences to her family.

“ Eleanor had a depth of knowledge and was often a ‘go to person’ for me in the myriad of leadership roles I served in over the years I worked at GMH. As noted, she loved her family and often shared stories/ photos with colleagues at work. Thoughts and prayers are with her family, rest in peace Eleanor!

“ *Eleanor was smart, capable and the epitome of a nurse leader. I had the pleasure to work closely with her in the early stages of electronic documentation for healthcare. I knew her since 1977. She was a wonderful compassionate person and she will be terribly missed by all that knew and loved her.*
