“ I remember I went over to her and Bob's house to spend the night for absolutely no reason, I remember she worried so much about me looking nice that she cleaned my nails so that they would be clean. I'll surely miss her, she was like a grandmother to me because my real grandmother, her sister, died before I was born. Everybody will definitely miss her!

“ Lib will truly be missed by all who came in contact with this lovely lady over her lifetime. She was such an inspiration to us and lit up the room when she entered. We will miss her and her warm, sweet smile.
