“ Jimmy, Susan, Alan, & Gail: My heart goes out to you and your families during this difficult time. It has only been a year since Mom made her journey to Heaven and I am positive she was there to welcome Miss Lib. Miss Lib was an inspiration to Mom during the short few months they shared a room at NHC. My prayers will continue to be with you all for peace and strenght. All things are possible through God and I know he is with each and every one of you now and always.

“ To the Bright family:
I would like to express my sympathy to the family in the passing of your mother. I was a friend of Mrs. Bostick her roommate and every time I would visit she would always have a smile on her face and want me to look at the different types of birds that would come to the bird feeders outside the window. Allen you were visiting her the day I came by to see "Granny B" as I called her. You were telling me about the hiking trip that your Mom went on with you. I will always remember when I would go to leave and tell her by she would always say, "by honey you be careful". My thoughts and prayers are with you. “ Judy and Fran and family,
My prayers and thoughts are with you during this time of loss. I know that your mom was very proud of her family and her Christian influence is obvious in the kind of "kids" she raised.
