“ *Ms. Davis was the librarian at League Middle School while I was there. Most recently she and my mom were in the same rehab center. It was a pleasure to chat with her about "the old times". May God's peace be with you all.*

“ *Libby was a regular caller here at WYFF (News 4). As a new, young employee at WYFF, I grew to love her phone calls, her voice, her stories, and her abrupt phrases like "Gotta go, Perry Mason is coming on!" She told me she was all her mother had growing up, so she was always very careful of her surroundings. I never knew what she looked like, but her voice was so full of life and cheer, I have a beautiful image in mind. I waited days for this obituary to come out and wish I could attend the memorial service for her. I understand if the Davis family wishes it to be private but I hope you know how loved Libby was by all of us here at WYFF. She was and will always be a WYFF family member.*
