“ Thanks to Granny for the life she lived. She demonstrated a legacy of love and forgiveness in her daily life. She had many hardships that she overcame and it did not make her bitter. I am so grateful for her flower and vegetable gardens and the lessons she taught me ..She was the person who taught me how to make biscuits and cornbread and she would slide a chair to the sink and ' let ' me wash dishes. She was a great influence on me and a terrific grandma. Every time I hear certain Christmas music I think of her playing the records on her stereo. So many wonderful memories. The world needs more of her. Love you Granny!

“ I have many fond memories of Christmas and Easter dinners at Tib's house. She was the best cook! And she made the most delicious coconut cake for Dean and me on our birthdays. Thoughts and prayers to Dean and Robbie and the family.
Sincerely,
Stephanie (Jackson) Nichols
