“ Dear Vickie, I am so sorry for your loss. To have lost Warren and then taken on the responsibility of Ms Kemps care must have been so difficult. I commend you for being such an amazing person. I worked at Manning Place for two years and while there were times when I wasn't on her good side, there were many more when I was. I had the honor of spending time in her room and seeing a side of her that not many had seen. She really did have a beautiful smile and a tremendous love for her family including you!
