“ *Our deepest condolences to the family and friends of the passing of Libby. Forever loving memories of a wonderful mother, grandmother, sister, relative and most of all a dear friend to us all. Such a loving and nurturing sweet soul of a person who always brought out the very best in us as a family and friends. "Libby you will be missed dearly and remembered always in our hearts and souls". No words will ever be able to describe your love and courage to me personally as we both encouraged each other through difficult times battling the cancer that inflicted our lives. Our hearts will forever beat as one in spirit.*

“*Libby was my Close friend for over 40 years ..We Lost contact for a couple years and recently reunited. She was the type of close friend that went to pick strawberries with me only to find out later she was very allergic to them! She did it just to be with me and laugh as we did often! I am missing her already and can't imagine her not being here. So sorry Audra & Bryan and the rest of the family.... Sending so much love to all of you. ❤️ 🙏🙏🙏*
