“ *Andy and Amy, We are so sad about the loss of your mother. We have so many fun memories of camping, laughing and just watching our kids grow up. Not too long ago she stopped by and enjoyed “breakfast” for supper with us. We always loved her visits and will truly miss her. You are in our thoughts and prayers. Dennis and Polly Poole*

“ Hi Andy. Not sure if you remember me from elem school... I'm so
sorry about your mother. My thoughts and prayers are with you. I
can remember in elem school being a safety patrol and opening
your car door and your beautiful mother was always smiling! Yes
that has always stuck with me! So being just a 10 year old i knew
just from simply seeing your moms smile almost daily that she was
a wonderful mother and person. Just wanted to share. God bless
you abd your family. Again my thoughts and prayers are with you.
