“ Miss Fisher taught me and my brothers at Lake Forest Elementary School. She was one of the best teachers I ever had. I reconnected with her about ten years ago and learned that her late husband, Mr JC had served on the same ship in WWII with our daddy. We made fast friends and helped him get his war medals. My brother also escorted my dad and Mr Ponder on the Honor Flight to DC. The Ponders were fine people. They exemplified true "Southern Hospitality". They loved each other deeply. I am glad they are finally reunited and are safe in the arms of Jesus. My deepest sympathy goes out to the entire family and all who loved her. I am so sad I just found out about her passing and I would have loved to been at her life celebration.
