“ Our prayers go out to Ellen's family and to Charles her brother. Ellen and Charles are my cousins. Ellen and I were pretty close in our high school days and even though we didn't keep in touch, we really had a great friendship and kinship when we were in our youth. I'll miss her warm smile and positive attitude about everything. I talked to Charles today and after talking to him made me realize how so very special it was to have a brother or a sister to grow up with. I lost my brother, Dave in 2009 and now, unfortunately Charles must endure the same loss. He was able to spend a lot of quality time with Ellen before her passing so that made me feel great. I know Charles and Ellen were very close when growing up and have a lot of great memories. Tincture of time will help heal Ellen's family's hearts along with God's help. We all love you and will miss you Ellen, Your Cousin Tim, Aunt Beckie and Uncle Phil, Haynie and all of our family members.##imported-begin##Tim Thompson, my wife, Cyndi and children, Myke and Katie; My mom and dad, Phil and Beckie Thompson; Haynie Thompson and childre##imported-end##

I know Ellen's death has hit all of you hard, because it has also hit me equally hard. My family and I wish you comfort and peace as you know heaven is alight with Ellen's wonderful personality bringing even more joy there! May God walk every step of the way with you through your sorrow in the coming days, weeks, and months. I ask that He always supply each of you with just what you will need to not only get through your grief, but to also find joy and love in remembering Ellen's wonderful, vivacious way of living. Remember how precious she was, and how dear each of you are to me!
