“ *I knew Ellen when we were in high school. Ellen was absolutely one of the sweetest young ladies I ever had the privilege of knowing. She was as beautiful inside as she was outside! While I knew her, Ellen never had a bad or cross word to or about anyone. She always had a twinkle in her eyes and a genuine smile on her lips. I ran into her again seven or eight years after high school and she was still the extremely sweet young lady I knew earlier. May our Lord grant her family peace.*

“ *I'm so very sorry to learn of Ellen's death. We grew up together at Aiken's First Baptist Church and spent quite a lot of time there involved in choir and GA's. We had a memorable trip to the Isle of Palms with one of our Sunday School teachers where we had such fun but worried about her fair skin being sunburned. I haven't seen her since high school but never forgot her. Sincere condolences to her family.*
