I am so sorry to hear of the passing of Ellendar. I always thought of her more as an Aunt than a cousin. I have so many memories of your Mom and my Mother, Kate Cox Smith together. I know your family will miss her. She was a great, sweet, lady that loved her family. May God Bless you all.

Ellender was more like a Aunt to me than a cousin. She was very dear to our family and especially my mother "Kate". She was a very sweet lady, and she loved her family very much. Bob and Ellender were very close, you never saw one without the other. May God bless this family during this difficult time. You are all in our thoughts and prayers,

Ellender was a dear friend for any years, we always had a good time when she would come get her hair done. I loved her as my friend and I will miss her. The family is in my thoughts and prayers!

“ Most of yall dont know me, i was only apart of the family for a brief time. But for me i think of yall as family and always will! I spent weeks and weekends at nanas years ago (i was dating her grandson virgil marcus harrison) She even gave me a copy of her late sons carousel brochure of his beautiful carousel horses, i still have it to this day and even showed my now husband! Told him about my days with nana and papa. I wanted him to meet them but it was difficult with two kids and us with both full time jobs to get the time to make the trip (we lived in belton). Recently under certain circumstances we were goin to to be able to make visits so they could meet and see how my oldest has grown(she was too young to remember them, but papa used to take her outside all the time and they would walk and talk!) i actually have pictures of my oldest holding chyenne! We were actually goin to be moving to greer. My heart hearts, i have so many memorys that i will always cheriesh. I love you nana
