“ Dear Tracy and family,
It was with a heavy heart and great sadness when I learned of E. F. passing. He played such a big part in my life growing up on Banner Drive. I have so many good memories of him. He would visit us almost everyday in the summer. He even took 3 of us Kallenbach girls to a movie. I remember him not only driving the big yellow school bus, but also the white activity bus. He was a great Drum Major, and just an all around great guy. He and you too, Tracy, were a big part of my life. The entire “Reem” family came to my wedding and you and E. F. even came to my 25th anniversary party. When I remember my childhood on Banner Drive I remember E. F. the most. Us, Kallenbach girls thought he was so tall never realizing we were short! Please know I loved E. F. and we have the entire “Reem” family in our prayers.
