“ *Emily was such a wonderful lady. She took time out of her day every Tuesday night for almost 2 years to help my youngest daughter, Alyvea, learn how to sew and to teach her what she had learned about the craft of sewing throughout her life. My daughter has set a goal to become a fashion designer and Ms. Emily helped Alyvea her closer to obtaining that goal. Our families hearts are heavy with sorrow for the loss of such a wonderful soul. Alyvea wants to say thank you to Ms. Emily for being so kind to her and helping her over the last 2 years. She will miss her dearly and is heartbroken over this news. Our families thoughts and prayers are with Emily's family during this difficult time. We are so very sorry for your loss. God has called another one of his Angels home and she will be missed by so many people.*

I worked with Emily 22 years ago, but still remember her hard work and the smiles she left on our patients' faces. She will be greatly missed.

Roxanne, Jason, Maxine, Marcie, and Meagan, I'm so sorry about the loss of your sweet mother /Grandmother. She has left our shore and has sailed out of our sight but she has sailed into the horizon of others who are standing on the shore and welcoming her with loving arms.
