“ I remember how you would just set there and look at me then when I look at you. You would roll your eyes and then you would start talking about how you like me going through school and I would tell you the same thing then we got together and you would come see me and we would set in the car and smoke and talk about our relationship then you would get the asking how much I love you and I would just say that I love you and then you get mad then I would give you a kiss to make it up and you would smile now I wish I could have told you how much I love you but to let you know now I love you too the moon and back just wish you was here to so you could hear it for yourself we would ask oneanother wwhat we won't for our birthday and it was on the same day 10/26 go miss that but most importantly I'm going to miss you. Love You (Emily {Dez} Brook Norman) You Will Always Be Missed And Loved. Love Ro'Sean C. Kelly A.K.A LIL SEAN,LIL Bunn Money . My you and my Mother and God be looking down on me.
