“ Jackie and my mother, Lady Mockbee, were very good friends while they were both here on this earth and I know that they are back together again getting caught up. I loved your mother and her sweet ways and thoughtfulness. She would call me on my birthday every year and that was so very sweet of her to do, especially after my mother died, it really meant a lot. She would also call me on Mother's birthday, 7/4, and that also meant a lot. We will all greatly miss your mother at Memorial, because of all the many things that she did during her time there as a member. With much love,

“ Shirley, I was so saddened to read your mother's obituary in the Spartanburg paper this morning. She was a dear lady and a good friend to Mother. We all loved her dearly. Just the other day she came to my mind and I wondered if she were still living. I wish I had made an effort to get in touch with her. You are in our thoughts and prayers. May God grant you peace and comfort in this difficult time. Love, Mary Jane##imported-begin##Mary Jane Copeland Cunningham##imported-end##
