“ Mom, you were such a great mother to all of us. You were not only a mother to me you were my best friend. I always felt like when it was me you and Denise we were just the perfect fit. You are so dearly missed and so very much loved I will always remember the silly times of playing games are just splashing around in the pool. I will always treasure the things that you have taught me like sewing, or how to be such a good mom. I appreciate everything that you did for me and will pass on the special things to my boys. I will always love you kim
