“ I have always considered you guys as part of my extended family. The first 10 years of my life were spent playing in Grandma & Grandpa Coleman's back yard. Living next to them were the best years of my childhood. They would always call me when they came to Myrtle Beach and we would meet for dinner at K&W. I miss that. They weren't my grandparents by blood but I loved them just as they were my own. I can remember playing with Kimberly & April when they were just babies and spending my summers with Jamie and always feeling at home with your family. I love you all and will always have great memories of my time on Roberts Circle.##imported-begin##Traci (Scoggin)Brown##imported-end##
