“ *Martha and Nancy: Ernest was a one of a kind individual and I was blessed to call him friend. We served on committees together from time to time and he was always a gentleman with the best interests of the church and the cause of Christ at the forefront of his reasoning. He was not afraid to voice his convictions and to stand by his decisions once they were made. I will miss being able to talk with him and to get his wisdom on situations. I will continue to pray for you both and I am here for you if you need anything. I love you.*
