Tribute Wall

“ *Daddy, it's been a week and a day since you left me. At times it feels like any other day, then I close my eyes and I see reality. I see my one and only Father gone. I never got the chance to say good-bye to you because you were already gone by the time I got to you. For the past 3 years I did my best to take care of you, I know it wasn't easy for you to have your own child take care of you and it wasn't easy for me, but I did it because I loved you and I knew you wanted to be at home. Dad it isn't the same at home now, I miss you more than you or anyone else will ever know. Corey and Casey miss their Grandpa, they will always remember you and love you. I never thought I would have to do this. I took for granted that you would live forever but I take comfort in knowing that you are well now just like Mom. It won't be long before you are back home here with me and Mom. I try so hard to act like everything is okay but something always happens and it reminds me that your gone. In time my eyes will dry and my life will go on, but I know this will be because you are in peace now. I will always be reminded of you when I clean the house or wash clothes, but most of all when I cook the meals you loved. Daddy... I love you and I miss you so much. Before I go, I ask one last favor of you... Please tell Mama that I love her and miss her. The two of you have a lot of catching up to do!! I will see you and Mom again someday. Love always, your baby girl, Dana. ##imported-begin## Dana Dailey ##imported-end##*

“ *Daddy, It's been an honor to have you as my daddy for forty-four years. You were a loving,hard working,talented man.God blessed you in many ways.You cared deeply for your family and always wanted the best for us.Thank you for everything you've done for me.You and mama gave me to my husband,what an honor.You will forever be in my heart and I will think of you often.You will never know how much I will miss you.I will see you again when my Father calls me home but until then remember" I LOVE YOU ALWAYS AND FOREVER!!"*###imported-begin##Donna Dailey(Streets)##imported-end##

“ Dad, we will all miss you very much. Even though we were 4 hours from you, always you were with us in our hearts, thoughts and the many times you'd talk with wayne on the phone. And we won't forget the trips we took to see you. It was always a blessing. It's not the same going there without seeing you. We know you are resting in the arms of the Lord from the works you have done. I can see you and mom resting by the beautiful river of life. One day we shall be together again in the awesome glory of our god. You are so missed dad and the love you and mom had now lives on thru your children and grandchildren and greatgrand child Isabella. I thank God for you and mom for giving me Wayne , such a loving husband and father. So much of you lives on thru Wayne. We love you sooo!!! We will miss you!!!!

Love,
Vileanna, Wayne, Amber, Brandi, Cameron##imported-

“Daddy, i will miss you and i love you. Thanks for showing me how to be a hard worker and to never give up. I will cherish the times when i would go to work with you, when i was a little boy. Never will i forget the mason jars of tea, that mom would fix us to take. Dad, i watched you work seven days a week and sometimes at night, so you could keep the family up. You were a very strong man to do that. Thank you. I wish i could have paid you back for all that you had done for us. I'm sorry i didn't do more for you, dad. But now the time has come for you to rest. Dad, you will be in my mind and my heart. Right there with mom. May you get the rest that you deserve now. I LOVE AND MISS YOU DADDY!!!!!!###imported-begin##Douglas Dailey##imported-end##

“Mr. Dailey was a warm, caring, humorous, and spirit lifting man. He brought joy to me everyday as I took care of him at Oakmont Nursing Facility. Although he had a limited ability to care for himself, he had a strong outlook on life. Mr. Dailey was loved by myself as well as the entire staff at Oakmont and will be missed.###imported-begin##Sandy Gosnell##imported-end##
