“ *I miss you so much Grandma. You were always there when I needed you and it hurts so bad to see you gone. I wish you could have met jaiden. You did in a way by playing with my stomach while I was pregnant with him No one told me you were sick and I really wish I could have said my good byes but I know you are in heaven and you could see this I thought you would live forever and I am so hurt. You never turned me away when I needed you and you were the only person in my family to let me know that I could do anything if I put my mind to it.
