“ I remember Ethel and Wyatt very well. They were always so kind and polite. I knew grandmother Copeland too from many years ago. We all attended Concord Methodist Church. Also, Faye. I visited their home many times there on Pennsylvania Ave. as a young girl.

What a wonderful picture, Jack, of your beautiful family and especially of Ethel. I love her smile! We are thinking of all of you and are so very sorry we can't attend her service tomorrow. Of all of Daddy's sisters, Ethel was one of my favorites. I have lots of special memories of Phil's and my visits with her during those later years when she was still at home. We will miss her and send our love and prayers to you and your family..

“ *Jack, So sorry to hear about your mother's death. I met her when she came to Mrs. Wood's First grade class at Taylors School to make a movie of us. I don't think we ever saw the finished product. It was nice having you in my class for First, Fourth and Firth grades. May God comfort your family in this time of sorrow.*

Thanks, Brant. I remember one spelling test we had. The teacher added Baptist and Methodist to the list, and because of Brant, Presbyterian. Big words for us 7 - 8 year old students.
