“ I've been thinking about how I never met Gene's dad, but then I contradicted myself and realized that through his son, I met his dad. A man of honor, a man who truly cares about people, a very fun loving man. In his son, he instilled his values and beliefs. Through him, I know his father. I am blessed to know his father through him.

Peace be with all of you.##imported-begin##Ann Howard##imported-end##
