“ Carol and all, you are so lucky to have had your mother for so long. She is so lucky to have you as you cared for her in a loving, selfless way. I pray that the sting of her passing will be blunted by knowing where she is--with the Lord and Jay where her spirit will continue to live in the souls of her family. May God bring a lasting peace to you and the rest of the family.##imported-begin##Danny Long##imported-end##
