“ *We will miss Aunt Evelyn dearly. I loved her so much as she was always very nurturing to me whenever I came to visit with my family. When we were little she would cook delicious meals for us and the cornbread was a recipe that I could not replicate even though I watched her make it many many times. She is in a better place with the Lord and remember that we love Nathan, Sheila, Jamie and their families very much.*

“ *Evelyn was always a dear friend to my mother and to me also. They worked together years ago at Southern Worsted Mill and shared many good times together. I know she will be greatly missed but be comforted in knowing she is in a better place and we will see her again. Much love and prayers,* *Gail Morgan*

“ To the family and friends of Evelyn Burrell
All of you shall be in my prayers as you rejoice in the Homegoing of Evelyn. It was a joy for me to be her pastor and to have her as a dear friend. God blessed her with a good and full life and the recipient of the love that each of you gave to her. God bless each of you and give you comfort as you rejoice in her Homegoing and celebration with her family and friends in the presence of her Savior.
