“ Once upon a time Ms. Jones made me a jar of fig preservers . If you were raised on fig preservers you understand. Although my grandmother made delicious preservers Ms. Jones's far surpassed. Lucky for me Ms. Jones made me fig preservers for several more years. I never had the opportunity to meet her, however Evelyn holds a very special place in my life and heart. She was a very generous and loving lady. I know God has a very special place for her and hopefully she is preparing fig preservers for all of his children.

“ Dear Family:

I am sad to learn of Evelyn's passing. She was such a sweet lady and was loved by many as she cheerfully did her voluntary work for so many years. My special memory is our trip to Amish country with Aunt Geri, sisters Ben & Mary Sue, and your 'full of fun' Mother. We were gone a week and had such a great time together - one I will never forget and are now precious to me. My prayer is that God will surround you with His love and grace to provide the comfort that He can only give and may your many happy memories keep her close to your heart. May God bless each of you.

With my love and prayers, Linda Coggins Roberts

My sorrow is deep, but her glory is real in the arms of Her Savior. Memories of her helping her Son-in-Love cut the weeds at the end of Henbet and 378 hoping to keep our young drivers safe, helping with whatever was needed, her sweet smile, gentle spirit, Love towards everyone--her crown in heaven is full. May God bless everyone in Mrs. Jones family with great memories. John Sr. you were so lucky to have a partner in your Mother--in-Love. John and Steven you have a great legacy to follow. Larue I hurt also for you, can't wait to give you a big hug, your mother was so dear. We love you and prayers are for your sweet family and Bucks family.
