“ Sometimes in life you meet someone really special that will forever
impact your life...Grandmother was just that kind of person. I was
honored to have known her for 13 yrs.after becoming a part of the
family.She had a great love for her family and was so proud of her
children & grandchildren.I think one of the things that I remember
most about her is that she always had an interest in people and in
their lives...she loved for you to sit and share experiences with her
and she had many to tell herself. I will miss her immensely, but I
know that we will see her again one day!! Until then I have many
fond memories with her from attending Bible studies,taking her on
errands and family Christmas in our home.I can't wait until spring
when I can see the cherry tree that grandmother gave to me.....as it
blooms and every time there after I will think of a beautiful lady that
had a loving spirit & heart!! I love you Grandmother!

“ Dear Robert, Richard and family,
What a long, healthy and wonderful life your mom had. Both you and she were truly blessed. Adventurous as she was, I know she must be truly excited about her her new adventure. I relally miss the old days when our families were closer and had more time together. I miss Granddaddy, Grandmother, Uncle Dick, Aunt Evelyn and their generation as I know you do and will. Life seemed simpler and somehow better then. Though we don't see each other much or seem to make time to spend together, I truly love and care for you as family and think of you an keep you in my thoughts and prayers. With blessings and sincere love always,
Michael###imported-begin##Michael Williams###imported-end##
