“ I saw the news of the passing of your dear mother, My heart is sad for you,her family. I worked with Farris at Hudson Studio. Your Mom led me to the Lord at the studio(I was 21 years old--am 65 now) and she was my spiritual mother for a number of years! She allowed God to use her in such beautiful ways and I know her legacy lives on in many people's lives. She always seemed so young to me and yes, the joy of the Lord beamed in her smile. Very, very few years have gone by without memories of Farris and the things she taught me. I loved her for many reasons! I await our reunion in heaven! May God's peace with each of you.##imported-begin##Lynn Crane Cantrell##imported-end##

“ My sincere condolences. It was my pleasure to spend some time with your wonderfully sweet mother. Her smile was amazing. Even in her frail condition, she taught me lessons and gave of herself. I was blessed to have known her.
