“ *Ms. Hamby was such an inspiration to me. She had a beautiful soul. I enjoyed our time together and talking about what a wonderful God we serve. I miss her dearly! Denise you and your family will continue to be in my thoughts and prayers! She will always have a special place in my heart. Thank you for allowing me to be her nurse. She was a blessing to me and she made sure it was her way even in the end. She fought a good fight! So thankful she is with our Lord and savior. Kris Madala, RN Hospice*

“ *Ms. Faye has been a special neighbor and friend since 2006. She invited me to have a cup of coffee or tea and some cookies with her several times when I'd go to see her; she also encouraged me to bring my yard debris up to be burned with hers many times over the years; she always remembered to bring down a card and a little gift for my birthdays and often for Christmas; she enjoyed and took meticulous care of the plants we'd give her, and she had me over several times to receive the New Year together with other neighbors when I first moved to the neighborhood. So very thankful to God for Ms. Faye and the long life He gave her.*

Praying for you all in your loss! Know we'll continue to ask the Lord to comfort and strengthen you during this difficult time. Ms. Faye will be greatly missed!

Pictured below is when brother Dan came from North Carolina to visit and we went up to visit her back in 2015. She made him feel right at home and welcomed.
