“ To Roy, Janice, Cindy, family and friends of Faye,

I only learned today of Faye's passing, purely by accident. I'm ashamed to say that I had lost touch with Faye over the last 10 years, so it is my hope that you all will see this message and know how truly sorry I am to hear the news about Faye. I've read the message of those that precede mine and I can honestly say I agree with their thoughts and memories about Faye. It speaks volumes about the woman, daughter, mother, grandmother and friend she was. Many years ago while we both worked at Hertz, we were quite close and my life is all the better for having her in it), I will never forget that during my pregnancy with my son Ian (1988-89), never a day did I suffer with morning sickness. Faye being the gracious friend that she was to me at that time had it for me! She swore she did! But that was the kind of friend she was.

God bless you all and God speed dear friend.

“ I am so sorry to hear of the passing of Faye. She was my boss at GSP for many years. Not only was she my boss, but she was my friend. We had so many good times there at GSP and I learned so much from her. She was so much fun! Loved to discuss recipes with her and she was one of the most creative people I know. Her Christmas Village is still being enjoyed by many each Christmas. Always will remember the trips the JPL Ladies would take and her antics! Fun was had by all and Faye was always our fearless leader! She loved her family and I know you all are heartbroken. Please remember the great memories that I am sure you all have and know that we friends mourn her loss and pray for strength and peace for you all.

Please accept our love and sympathy. Your mother was a tower of strength, love, and compassion. Her family meant everything to her. Your mother treated everyone special, and her sense of humor was outstanding. Her presence will be missed. Constant thoughts of you and your family. Love.
